## EDUCATION

**Western Governors University**, Salt Lake City, UT

February 2024

*Bachelor of Science, Software Engineering*

## SKILLS

Javascript, React, Next.JS, Node.JS, HTML5/CSS, GitLab, Rest APIs, Asana, VSCode, Java, SQL, Figma, Python, Java, Google Cloud, WIX, AngularJS, AWS

## CERTIFICATIONS

**Google IT Support Professional (Coursera)**

March 2023

**AWS Certified Cloud Practitioner**

August 2023

**CompTIA Project + Certified**

October 2023

## Projects

[Portfolio Website](#)

February 2024

- A web app built with Next.JS, TailWind CSS, HTML, and JS to display projects that I have built. This project showcases my skills in design, coding, and API implementation via the Sender API

**Android Mobile Application**

January 2024

- Engineered and deployed an Android Mobile Application to Google Play for users to track their vacation dates, excursions planned, cost, and the ability to share with friends through SMS or Email using Java, the Room framework, and SQLite for the database

## EXPERIENCE

**ATSAP LLC**, Pittsburgh, PA

July 2023 - Present

*Software Engineer Intern*

- Develop and maintain web applications and mobile apps for startups and businesses
- Utilize technologies such as GitLab, React, JavaScript, HTML, CSS, Node.js, Figma, and Google Cloud/Firebase database.
- Collaborate closely with team and clients to ensure the software meets specific needs and requests
- Produced UX/UI prototypes for development with high-level full-functionality designs in Figma to be developed post-design
